IABSE Photo Contest of Structures 2011

Call for Submissions until June 4, 2011

The International Association for Bridge and Structural Engineering (IABSE) is hosting a new Photo Contest of Structures. Submission of photos is from April 29 – June 4, 2011. Sought are high quality pictures of structures/or part of structures, exhibiting the achievements and art of structural engineering. The three best photographers will win a prize money of either 1000, 500, or 300 Swiss Francs. The 10 best photos will be exhibited on a poster wall during the IABSE-IASS Symposium in London, September 20-23, 2011, and published in IABSE's journal *Structural Engineering International (SEI)*, Nov. issue 2011. An international jury will make a pre-selection of the best pictures and the public will vote online for the final ranking between June 24 – Aug. 17, 2011.

More information: www.iabse.org/PhotoContest2011

The International Association for Bridge and Structural Engineering (IABSE) comprises 4'000 members in 100 countries. Founded in 1929, IABSE deals with all aspects of planning, design, construction, maintenance and repair of civil engineering structures. To fulfil its mission, IABSE organises conferences and publishes a quarterly journal, Structural Engineering International, as well as books and reports. The Association has a number of technical groups and presents awards in recognition of outstanding contributions in the domain of structural engineering.
